

PROCESS FOR NOMINATIONS FOR THE AWARDING OF LIFE MEMBERSHIP OF MARRICKVILLE BOWLING & RECREATION CLUB

The **Marrickville Bowling & Recreation Club Incorporated** Constitution defines types of membership. Life Membership is one of them. Life Membership is the most prestigious award available to the Club and, as such, all nominations and the awarding of Life Memberships are given careful consideration.

NOMINATION AND REVIEW PROCESS

Life Membership may be bestowed upon any person *'who has rendered meritorious service to the Club [...]'*. Nominations for Life Membership detailing the nominee's achievements within the MB&RC, and contributions to it, must be submitted in writing to the Club's Secretary Manager at least four (4) weeks prior to the Annual General Meeting. Only Full Bowling Members are eligible to make nominations. The nomination **must** be made on the form overleaf (additional pages may be added if required).

Nominations for life membership will be reviewed by the Board which will consider the merit of the application. The Board may, in turn, recommend that the Annual General Meeting endorse the nomination and the award of Life Membership.

LIFE MEMBERSHIP AWARD

'A Life Member shall be entitled to all the rights and privileges and advantages to which a Full Bowling Member is entitled to under [the] Constitution but shall not be obliged to pay any annual subscriptions.'
